

FRIENDS CREEK CONSERVATION AREA UPLAND GAME HUNTING AREA (MACON COUNTY)

2023 Hunter Fact Sheet

Macon County Conservation District

The Macon County Conservation District is pleased to provide this hunting opportunity for the residents of the state. The Friends Creek Conservation Area upland game hunting area was partially funded with revenue generated through the sale of the Illinois Pheasant Stamp and developed with the cooperation of the Illinois Department of Natural Resources.

LOCATION: This area is approximately one mile north and one mile east of Argenta in northeastern Macon County. One and one-quarter mile north of State Route 48 on Cemetery Road.

DESCRIPTION OF THE AREA

TOTAL ACRES: 104

WATER ACRES: 0

OPEN ACRES: 50

HUNTABLE ACRES: 104

TIMBERED ACRES: 54

The total area of the site is 104 acres. The entire area is open to hunting. Cover types include upland prairie, mesic prairie, wet prairie/sedge meadow, native cool season grasses, and prairie savanna. There is also a significant amount of trees and shrubs along creek banks.
